

This Service Level Agreement ("SLA") is made between [Service Provider Name] ("Provider") and [Customer Name] ("Customer") and describes the information technology services to be provided.

1. Agreement Overview. * **Effective Date:** [Date] * **Term:** This SLA is effective from the Effective Date and will remain in effect for the duration of the Master Services Agreement. * **Services Covered:** This SLA applies to the [Name of Service, e.g., Cloud Hosting Platform, Help Desk Support] service ("the Service").

2. Service Level Objectives. The Provider commits to the following performance metrics:

* **2.1. Service Availability (Uptime):**

* The Provider guarantees a service uptime of **99.9%** during each calendar month.

* Uptime is calculated as: $\frac{((\text{Total Minutes in Month} - \text{Downtime Minutes})}{\text{Total Minutes in Month}} \times 100$.

* "Downtime" excludes scheduled maintenance and factors outside the Provider's reasonable control.

* **2.2. Support Response and Resolution Times:**

The Provider will respond to and resolve support tickets based on the following priority levels:

Priority Level	Description	Response Time	Resolution Time
P1 - Urgent	Critical system failure; service completely unavailable.	15 Minutes	4 Hours

P2 - High	Significant service degradation; core features impacted.	1 Hour	8 Hours
P3 - Normal	Minor service impact; non-critical features affected.	4 Hours	2 Business Days

3. Performance Monitoring. The Provider will monitor service performance and provide the Customer with a monthly performance report detailing uptime and support ticket metrics.

4. Service Credits. If the Provider fails to meet the Service Availability target in a given month, the Customer will be eligible for a service credit on their next invoice, as follows:

Monthly Uptime	Service Credit
< 99.9% but >= 99.0%	5% of Monthly Fee
< 99.0%	10% of Monthly Fee
